

# Exploring New Clinical Options for Removable and Fixed Full-Arch Therapy

Presented by: Zest Dental Solutions

Speaking: Todd Hydock and

Amy Helayel, BSDH, RDH, CDA, RGCDT

### COURSE DESCRIPTION

Participants will attend an evening in-person program designed for clinicians to explore the various options for removable and fixed full-arch solutions to support their patients and complement their practices. Emphasis will be placed on the fundamentals and step-by-step protocols to streamline full-arch fixed restoration fabrication and delivery using new fixed solutions as well as how to grow their practices through increased case acceptance.

### LEARNING OBJECTIVES

1. Understanding the various options available and requirements for removable and fixed full-arch prostheses.
2. Acquire a basic understanding of the surgical and prosthetic protocols of full-arch fixed restorations.
3. Exposure to various clinical philosophies and treatment approaches to full-arch fixed implant dentistry..

February 27, 2025

6:00-8:30pm

Dinner will be Served

### Location:

1922 Greenspring Dr # 9,  
Timonium, MD 21093

# Lecture And Hands-On Timonium, MD

Todd has over 24 years experience in the dental implant / laboratory space, where he has collaborated closely with restorative clinicians and specialists on full arch case planning and design, clinical chairside support, and business development. He has also delivered lectures on full arch implant restorations and immediate loading applications for various dental implant companies.

Amy has been clinically in the dental field for over 25 years. She has worked in the private sector and the lab space with direct clinical support for overdenture conversions and technical support for fixed and removable prostheses.
